Celebrating Our Medical Heroes

Doctors' Day was celebrated with a special assembly on 1st July to honour the dedication and service of doctors. The programme was graced by our Chief Guest, Dr. Ms. Fathima Amrin, a Dental Doctor, who addressed the students and spoke about the importance of oral hygiene, healthy habits, and regular medical check-ups.

As part of the celebration, an eye camp was also conducted for all the students, providing them with an opportunity to have their eyesight checked and learn about the importance of eye care.

The celebration was both informative and meaningful, helping students develop greater awareness about their health and appreciate the valuable service rendered by doctors and healthcare professionals.

Pathways to Leadership

A Class Leaders' Orientation Programme was conducted on 4th July by our Principal to guide and motivate the newly appointed class leaders. The session focused on the meaning and importance of leadership and the qualities of a good leader.

The Principal interacted with the students and asked them, "What is leadership?", encouraging them to share their thoughts and ideas. The session highlighted qualities such as responsibility, discipline, teamwork, communication, and setting a good example for others.

The programme was an inspiring and valuable experience for the class leaders, helping them understand their roles and responsibilities and encouraging them to lead with confidence and integrity.

A Journey Together

A Parents' Orientation Programme was conducted on 4th July by our Principal to familiarize parents with the school's academic structure and functioning. During the session, the Principal presented a detailed PowerPoint presentation covering the school structure, academic framework, class periods, timetable, and other important aspects of school life.

The programme provided parents with a clear understanding of the school's academic system and daily routines. It was an informative and interactive session that helped strengthen the partnership between the school and parents for the overall development of the students

Celebrating the Legacy of Kamarajar

Kamarajar Day was celebrated on 15th July during the special assembly to commemorate the birth anniversary of the great leader K. Kamaraj. The programme highlighted his contributions to education and his vision for the welfare of society.

As part of the celebration, students delivered an informative speech in Tamil about Kamarajar's life, achievements, and valuable contributions to the field of education. The programme helped students learn about his simple lifestyle, leadership, and dedication to the development of education in Tamil Nadu.

The celebration was a meaningful and inspiring tribute to the great leader and his enduring legacy.

Learning Through Experience

An exciting field trip was organised for the students as part of experiential learning. Students of Grades I and II visited Dharmapuri, while students of Grades III to V visited Krishnagiri Park.

The trips provided students with an opportunity to learn beyond the classroom, explore new surroundings, and enjoy quality time with their friends and teachers. The students enthusiastically participated in the activities and thoroughly enjoyed the experience.

After returning from the trip, the students happily shared their experiences and thoughts with their parents, expressing their excitement and joy about the memorable day. The field trip was an enriching and enjoyable learning experience for all the students.

Rising to Victory on Wheels!

We are delighted to celebrate the remarkable achievement of our young skating champions!

Master R. Joshik (Under-6 Category) secured Rank III in Rink III (Fancy Inline/Pro Inline), while Master R. Hadvitha (Under-8 Category) secured Rank II in Rink III (Fancy Inline/Pro Inline) at the State Level Open Roller Speed Skating Championship – 2026, organised by Punjai Sports / Phoenix Skating Academy on 19th July 2026.

Recognising their outstanding achievement, our Principal felicitated and congratulated the young champions on 24th July. Their success reflects their dedication, perseverance, discipline, and sporting spirit.

The Vijay Millennium Senior Secondary School, Dharmapuri, proudly congratulates both our young achievers and wishes them continued success in all their future endeavours.

Congratulations, Champions! Keep skating, keep shining, and keep reaching new heights!

Parent-Teacher Interaction Meet – Grades III to XI

A Parent-Teacher Meeting (PTM) was conducted on 25th July for students of Grades III to XI. The meeting provided an opportunity for parents and teachers to interact and discuss the students' academic progress, learning outcomes, behaviour, and overall development.

Teachers shared valuable feedback with the parents and discussed ways to support the students in their learning journey. The interaction helped strengthen the collaboration between parents and teachers for the holistic development and success of the students.

5S Success – A Milestone of Excellence

The 5S Inspection was conducted on 31st July as part of our continuous efforts to maintain an organised, clean, safe, and efficient school environment. We are delighted and proud to announce that our school was honoured with the 5S Platinum Award in recognition of our commitment to excellence in workplace organisation and discipline.

This achievement is a reflection of the collective efforts, teamwork, dedication, and commitment of our management, staff, and students. The 5S Platinum Award is indeed a proud moment for our entire school community and inspires us to continue striving for higher standards of excellence.

A proud achievement today, a greater commitment for tomorrow!

English – A Gateway to Global Opportunities

Teacher's Message

English is one of the most widely spoken languages in the world and plays a vital role in education, communication, and career growth. It connects people from different countries and cultures, making it easier to share ideas and build friendships across the globe.

In schools, English helps students improve their reading, writing, listening, and speaking skills. It also opens the door to a vast collection of books, research materials, and digital resources. A good command of English boosts confidence and enables students to express their thoughts clearly and effectively.

In today's technology-driven world, English is the primary language of the internet, science, business, and higher education. Learning English provides access to global opportunities, including scholarships, international careers, and collaboration with people worldwide.

As students, developing strong English language skills through regular reading, writing, and speaking practice will not only improve academic performance but also prepare us for a successful future. English is more than just a subject—it is a bridge to knowledge, opportunities, and lifelong learning.

- F. Daisy Niothisa – English Teacher

Building Better Days, One Habit at a Time

I am K. Leshanth of Grade VIII, and I would like to share my daily routine at school and home.

At school, I learn many new things every day. My teachers teach us in a creative way and explain concepts using real-life examples, which makes learning interesting and meaningful. The homework given to us is also creative and helps us think better. Whenever I have any doubts, my teachers patiently clarify them, which makes me feel confident in my studies.

Our school environment is very pleasant and peaceful. In today's world, it is difficult to find pure drinking water everywhere, but in our campus, The Vijay Millennium Senior Secondary School, we are provided with clean and pure water with the help of Water Doctor. This shows how much our school cares for our health and well-being.

After reaching home, I spend one hour playing to refresh myself. Then, at 6:00 p.m., I begin my studies and continue until 8:00 p.m. After that, I revise what I have learned and go to sleep. I wake up early at 5:00 a.m. and study for one hour before getting ready for school.

This is my daily routine, which helps me stay disciplined and focused.
