This year marked an exciting showcase of teamwork and competitive spirit through the Inter-House Championship. Panther House Secured the prestigious Overall Championship Shield with outstanding performance across multiple events. The school also appreciates the energetic participation and efforts of Lion House, Tiger House, and Leopard House, whose students earned numerous medals and certificates through their commitment and enthusiasm.

THINKING BEYOND THE SCREEN – DEBATE COMPETITION

A debate competition was held on 3rd November on the thought-provoking theme “Social media spreads more fake news than real news.” Students from Grade 6 to 11 showcased remarkable confidence as they presented their viewpoints supported with facts, examples, and logical arguments. The event encouraged critical thinking, responsible media usage, and healthy discussion among learners. We are delighted to share that Leopard House secured the 1st Place, demonstrating excellent research skills, teamwork, and persuasive delivery. Congratulations to the winners and appreciation to all participants for making the event a meaningful learning experience

REPORT – PCQCC 2025

The Vijay Millennium Senior Secondary School participated in the PCQCC 2025 – Annual Convention on Quality Concepts, organized by the Quality Circle Forum of India, Puducherry Chapter, with the theme “Quality Concepts for Atmanirbhar Viksit Bharat.” As part of the event, the PCQCC assessment team visited our school and inspected the campus cleanliness, including hygiene, waste management, and classroom maintenance. The school’s systematic cleanliness practices and upkeep were highly appreciated by the panel. We are proud to share that our school secured the 1st Prize, reflecting the commitment of the students, teachers, and management toward maintaining a clean and healthy campus. A proud moment for our school in promoting quality and cleanliness.

STORY WRITING COMPETITION CELEBRATING YOUNG AUTHORS

A Story Writing Competition was conducted on 13th November for students of Grades 3 to 5. The event encouraged children to explore their creativity, imagination, and writing skills through original stories of their own. Students enthusiastically took part and impressed the judges with their interesting plots, characters, and storytelling ability. After evaluation, winners were selected from each grade and awarded prizes in recognition of their talent and effort. The activity helped young learners gain confidence in writing and inspired them to express their thoughts through stories.

WHEN TEACHERS TOOK THE STAGE FOR THEIR CHILDREN

Children's Day was celebrated with great joy and enthusiasm at our school, creating a fun-filled and memorable day for all students. The program featured a variety of performances by the teachers, which brought smiles and excitement across the campus. Teachers presented a dance performance, a mime act, and a Vijay Studios–style musical concert, making the celebration highly entertaining and engaging for the students. Adding to the charm of the event, Mr. Saravanan delivered an inspiring speech in Tamil, highlighting the importance of childhood and the joy of learning. Miss Khuvanaei also rendered a wonderful speech, expressing warm wishes and affection for the children. The day truly reflected love, care, and appreciation for every student, making this Children's Day a cherished celebration.

WORKING TOGETHER FOR ACADEMIC EXCELLENCE

A PTODM (Parent–Teacher Open Discussion Meeting) was held on 22nd November for Grades 10 and 12 with the purpose of discussing the results of the recent Revision Test. The meeting provided an effective platform for teachers and parents to review students’ academic progress, strengths, and areas for improvement. Parents interacted with subject teachers, exchanged feedback, and discussed strategies to help students perform better in the upcoming board examinations. The meeting ensured collaborative support between home and school to enhance student achievement. The PTODM concluded successfully with a positive response from parents and a shared commitment to guiding students toward academic excellence.

FREEZE FRAME CAPTION CONTEST

“Think you can come up with the best caption for this funny picture? Here’s your chance! Students and parents are invited to participate in our Caption Contest. The winning caption will be featured in the next edition of our school newsletter! To participate, submit your caption to the Front Office with the student’s name and class clearly mentioned.”

POCKET MONEY MANAGEMENT TIPS FOR STUDENTS

- ★ Save first, spend later
Keep at least 20% of pocket money aside for savings before buying anything.
- ★ Use a small notebook or diary
Write down what you receive and what you spend — it helps track money.
- ★ Avoid buying things just because friends bought them
Think twice — need vs. want.
- ★ Set a weekly spending limit
Decide how much you will use per week so money lasts longer.
- ★ Use a piggy bank or small jar
Watching money grow motivates more savings.
- ★ Plan before buying
If you want something costly, save little by little every week instead of asking for extra money.
- ★ Look for offers / discounts when possible
Getting the same item for less is smart money management.
- ★ Don't spend all at once
Keep some amount for emergencies like last-minute school needs.
- ★ Join hands with friends for shared treats
Instead of buying separately, share snacks or rides to save money.

- ★ Reward yourself when you reach a saving goal
Example: “If I save ₹200 this month, I’ll buy something small I love.”

TEACHER'S MESSAGE

AHAL RAJEEV
Senior Secondary

Dear Students and Parents,

Every child has a unique talent waiting to shine. At Vijay Millennium, we believe that learning is not just about lessons in the classroom, but also about discovering confidence, creativity, values, and happiness in everything we do. Let us encourage our children to dream big, explore without fear, and celebrate every effort — big or small. Success is not only winning medals or trophies, but also trying new things, learning from mistakes, and growing every day with a positive attitude. Together, let us create a learning environment filled with kindness, curiosity, discipline, and joy.

May each of our students continue to learn, achieve, and inspire others with their hard work and humility.

A SPLASH OF CREATIVITY BY MONITH

We are delighted to showcase the artistic talent of Monith from Grade 8, who has created a series of beautiful scenery paintings using bright and vibrant colours. His artworks depict sunset, night, daytime landscapes, and nature scenes, reflecting strong imagination, attention to detail, and excellent colour blending skills. His creativity and passion for art are truly inspiring. The school appreciates and encourages his continued artistic journey. Well done, Monith! Keep colouring the world with your imagination.

EXPLORING, LEARNING, AND CREATING THIS WEEK'S CLUB HIGHLIGHTS

This week, various clubs conducted engaging activities for the students. The Eco Club carried out an activity focused on observing plants and analyzing their features. The Heritage Club discussed the plans for the upcoming monument exhibition. Meanwhile, the Science Club conducted an activity on air pollution, raising awareness about environmental concerns.
