TEACHER'S MESSAGE

Dear Students,

As you prepare for your upcoming Class X Board Examination, remember that success comes from consistent effort, smart planning, and self-confidence. This is an important stage in your academic journey, and every day is an opportunity to improve. Revise your lessons regularly, practice previous years' question papers, and focus on understanding concepts rather than memorising answers. Prepare a timetable, give equal importance to all subjects, and clarify your doubts with your teachers. Pay attention to time management while writing exams, read every question carefully, and present your answers neatly.

Most importantly, take care of your health, get enough sleep, and stay positive. Do not compare yourself with others; instead, focus on doing better than you did yesterday. Believe in your abilities and trust the effort you put into your preparation.

Remember, the board examination is not just a test of knowledge but also a lesson in discipline, perseverance, and confidence. Give your best, stay focused, and let your hard work lead you towards success.

Wishing all our Grade X students the very best for their Board Examinations!

With best wishes,

RUBY VICTOR

Incharge (Grade IX and X)

STUDENT'S MESSAGE

MY JOURNEY AT THE VIJAY MILLENNIUM SENIOR SECONDARY SCHOOL

My journey at The Vijay Millennium Senior Secondary School has been a wonderful and unforgettable experience. My school has played a major role in developing my skills, knowledge, and confidence. With the constant support and encouragement of my teachers, I got many opportunities to explore my talents and become a multi-talented person. One of the most valuable skills I developed during my school days was compering. The opportunities to speak on stage and participate in various school programmes helped me overcome my stage fear and express myself confidently in front of an audience. These experiences have shaped my personality and helped me discover my potential.

I feel extremely proud and grateful to have been selected as the Best Outgoing Student of the 2026–2027 batch. This recognition will always remain a special memory in my life. I sincerely thank my teachers and school management for believing in me, guiding me, and providing me with opportunities to grow. As students of The Vijay Millennium, we are fortunate to receive numerous opportunities to develop our talents, improve our knowledge, and build essential life skills. My school has taught me that education is not just about academics but also about confidence, leadership, creativity, and character.

The Vijay Millennium will always hold a special place in my heart, as it has helped me become the confident person I am today. I will always be proud to be a part of the Vijay Millennium family.

With gratitude and pride,
